As the management contact on the NRC Radioactive Material License **RML 06-0016869-01**, I request our license be amended to remove Dr. Steven M. Cohen for 35.100 and 35.200 class materials.

Dr. Cohen will no longer be an authorized user of materials and medical uses in Advanced Radiology Consultants P.C. of the following 10 CFR 35.100, 10 CFR 35.200; Oral administration of sodium iodide I-131.

Thank you for reviewing this request for an amendment to our Radioactive Materials License.

Sincerely,
