

External Stakeholder Feedback Survey on Transformation

Doris Lewis

ROP Monthly Meeting

December 2, 2021

Background

- Survey seeks external stakeholder perceptions on agency's transformation efforts
 - Gathers information on how our focus areas have directly contributed to our Mission Performance, Information Sharing, Quality of Decision-making, and Timeliness of Decision-making
- Survey seeks feedback from a wide variety of NRC stakeholders (i.e., members of the public, Tribal governments, Agreement States, licensees, etc.)
- Survey provides an opportunity for growth
 - Provides insights on how NRC external stakeholders perceive our transformation efforts
 - Feedback can help NRC tailor our future activities on transformation

Access and Timeframe

- Survey made publicly available on our updated [Transformation public web page](#)
- External Survey (see [link](#))
- Survey will be available through March 31, 2022
 - Allows enough time for all interested NRC external stakeholders to participate and provide survey feedback
 - Recognizes that NRC external stakeholders participate in various NRC activities, during different times of the year
