Louise Lund
Director, Division of Engineering
Office of Research
U.S. Nuclear Regulatory Commission

SUBJECT: REQUEST FOR PRESENTATION AT NUCLEAR REGULATORY COMMISSION
REGION I 2021 WINTER SEMINAR

Dear Ms. Lund:

Thank you for accepting our invitation for Madhumita Sircar to address the Nuclear Regulatory Commission Region I staff during our Regional Seminar December 7-9, 2021. The seminar theme is "Back Together Again." We understand that she will be discussing "Radiation-Induced Concrete Degradation" on Tuesday, December 7, 2021. Ms. Sircar is scheduled to present remotely for 30 minutes in our 0930-1030 A.M. divisional breakout session timeslot, which includes time to respond to questions. We will send her a complete schedule as soon as it is available.

Jonathan Pfungsten will be Ms. Sircar's primary contact. He can be reached at (610) 337-5170 or Jonathan.Pfungsten@nrc.gov. He will contact her to finalize her specific audio/visual needs, so that equipment will be ready for her. We request that Ms. Sircar provide us any electronic presentation by November 26, 2021, so that we may pre-load it. If she has hand-outs that need to be distributed, we request that those be provided by November 30, 2021, as well.

We appreciate the time and effort your staff have put into making this presentation to our staff. If you have any questions concerning this invitation or Ms. Sircar's presentation, and cannot reach your contact person, please feel free to contact Tamara Bloomer at 610-337-5308 or at Tamara.Bloomer@nrc.gov.

Sincerely,

Blake D. Welling, Director
Division of Radiological Safety and Security
