Biennial Report of Changes to NRC-Approved Quality Assurance Program

In accordance with 10 CFR 71.06(b), this letter transmits the description(s) of any changes to a previously approved quality assurance program without prior NRC approval if the change does not reduce the commitments in the quality assurance program previously approved by the NRC.

No changes were made to Portland General Electric (PGE) Trojan ISFSI's NRC-approved Quality Assurance Program Manual (PGE-8010, Revision 29) in the 24 months since PGE Trojan's last biennial report of changes to our NRC-approved Quality Assurance Program via letter VPN-011-2019 dated July 17, 2019.

Sincerely,

Bradley Y. Jenkins
 Vice President, Utility Operations
