Re: EA-18-131 Confirmatory Order (Docket #03020982)

This letter is summary of the status to the Confirmatory Order items listed below.

C-2 / D-3– A letter was sent to Greg Hunter from the IUOE Local 112 for their consideration of Prime NDT providing a presentation based on the summary described in D-1. He forwarded the letter to Steve McElhannon and their response was that they may consider it in the future as an add on to one of their RT classes but due to Covid, they could not tell me when that would be. They are still shut down.

D-2 – Letters to submitted to the following organizations and their responses are listed below.

ASNT – Toni Kervina – Director of Publications responded that they will not be publishing the summary of events.

CRCPD - Did not respond

OAS – Terry Derstine – Radiation Protection Program Manager responded that he received my letter but did not express further interest.

HPS - Did not respond

Thank you,
Sincerely,
