SUBJECT: ST. VINCENT'S MEDICAL CENTER- NRC INSPECTION NO. 030-01245/
2021001

Dear Ms. Danowski:

This letter refers to your August 23, 2021, correspondence, in response to our August 17, 2021, letter. Thank you for informing us of the corrective and preventive actions documented in your letter. While the violation involving detailed procedures to address the use of a dose calculation method other than the manufacturer's procedures and associated patient weight discrepancies used in these calculations was not specifically highlighted, your commitment to use only the manufacturer's procedures provides the required corrective and preventative actions. These actions will be examined during a future inspection of your licensed program.

Your cooperation with us is appreciated.

Sincerely,

Anne DeFrancisco, Chief
Medical and Licensing Assistance Branch
Division of Radiological Safety and Security
Region I
