

# AFFIDAVIT

STATE OF WASHINGTON     )  
  :  
COUNTY OF BENTON     )     ss

**Timothy J. Tate**, being duly sworn on oath, states as follows:

1. I am employed by Framatome Inc. (Framatome) as Manager, Environmental, Health, Safety and Licensing in Richland, Washington. I am responsible for the overall administration of the safety programs at Framatome's Richland, Washington nuclear fuel fabrication facility, including regulatory licensing and permitting. This affidavit is based on my firsthand, personal knowledge and is submitted in my capacity as Manager, Environmental, Health, Safety and Licensing.

2. I am familiar with the contents of the attached "Follow up report for a UN spill reported to the NRC Operations Center on October 12, 2021". Portions of Framatome's initial report made to the NRC was subsequently redacted by the NRC. For this reason, Framatome is also withholding the same information on the enclosed follow up report.

Dated this   2   day of December 2021.

---

Timothy J. Tate  
Manager, Environmental, Health, Safety and Licensing

STATE OF WASHINGTON     )  
  :  
COUNTY OF BENTON     )     ss

On this 2<sup>nd</sup> day of December, 2021, before me, the undersigned, a Notary Public in and for the State of Washington, duly commissioned and sworn, personally appeared Timothy J. Tate to me known to be the Manager, Environmental, Health, Safety and Licensing of Framatome Inc., the corporation that executed the foregoing instrument, and acknowledged the said instrument to be the free and voluntary act and deed of said corporation, for the uses and purposes therein mentioned, and on oath stated that he is authorized to execute the said instrument.

Witness my hand and official seal hereto affixed the day and year first above written.

Susan K McCoy  
Notary Public in and for the State of Washington,  
residing at Walla Walla, Washington.  
MY COMMISSION EXPIRES: January 14, 2024
