- **NRC's Clearance Officer:** A copy of the collection of information and related instructions may be obtained without charge by contacting the NRC's Clearance Officer, David C. Cullison, Office of the Chief Information Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001; telephone: 301-415-2084; email: Infocollects.Resource@nrc.gov.

B. Submitting Comments

The NRC encourages electronic comment submission through the **Federal rulemaking website** (<https://www.regulations.gov>). Please include Docket ID **NRC-2021-0201** in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov/> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35),

the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* Part 110 of title 10 of the *Code of Federal Regulations* (10 CFR), "Export and Import of Nuclear Equipment and Material."

2. *OMB approval number:* 3150-0036.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* NRC Forms 830, 830A, 831, and 831A.

5. *How often the collection is required or requested:* On occasion.

6. *Who will be required or asked to respond:* Any person in the U.S. who wishes to export or import (a) nuclear material and equipment subject to the requirements of a specific license; (b) amend a license; (c) renew a license; (d) obtain consent to export Category 1 quantities of materials listed in Appendix P to 10 CFR Part 110; or (e) request an exemption from a licensing requirement under 10 CFR Part 110.

7. *The estimated number of annual responses:* 3,092.

8. *The estimated number of annual respondents:* 90.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 1,514.

10. *Abstract:* Persons in the U.S. who export or import nuclear material or equipment under a general or specific authorization must comply with certain reporting and recordkeeping requirements under 10 CFR Part 110.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the estimate of the burden of the information collection accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: March 10, 2022.

For the Nuclear Regulatory Commission.
