Dear Ms. Gryglak,

**Re: Alliance HealthCare Services, Inc. – Radioactive Materials License
RAM 092-1272-01**

Further to your email request of November 30, 2021, this will confirm that the transfer of control of Alliance HealthCare Services, Inc. occurred on September 1, 2021 when Akumin Corp. acquired 100% of the issued and outstanding equity interests of Thaihot Investment Company US Limited, the sole shareholder of Alliance HealthCare Services, Inc.

As the transfer of control occurred as a result of an indirect acquisition of equity, the transfer of control has not had any effect on the name of the licensee (which remains Alliance HealthCare Services, Inc.) and does not require any change to the license itself.

Yours very truly,

Matthew Cameron
Chief Legal Officer and Corporate Secretary
