Subject: [EXTERNAL] Transfer of Control
Importance: High

Hi Dr. Lowe,

I am completing the Transfer of Control today and realized that I don't have a new management representative for the new CAMC Cardiology – Beckley. Is it to remain Dr. Karam? If so what is his title now? Also, if it is not, please provide the name, title and contact information for the new representative – email and phone.

Thank you!

Robin L. Elliott
