LTR: BYRON 2021-0072
File: 1.10.0101 (1D.101)

Robert Orlikowski, Chief
Operations Branch
Division of Reactor Safety – Region III
U. S. Nuclear Regulatory Commission
2443 Warrenville Road, Suite 210
Lisle, IL 60532-4352

Byron Station, Units 1 and 2
Renewed Facility Operating License Nos. NPF-37 and NPF-66
NRC Docket Nos. STN 50-454 and STN 50-455

Subject: Submittal of 2021-301 Byron Initial License Examination Post-Examination
Comments

Enclosed are the post-examination materials Byron Station is submitting for initial license exam 2021-301 administered from September 27 to October 13, 2021.

In accordance with ES-501, Section C.1.b., the following enclosures are being submitted:

- Graded written examinations including each applicant's original answer and examination cover sheets plus a clean copy of each application's answer sheet prior to grading
- The signed applicant's exam cover sheets
- The master written examination(s) and answer key(s)
- Applicant questions and proctor responses during the written examination
- Post-examination review comments including explanation and facility response
- Written examination seating chart
- Form ES-403-1, Written Exam Quality Grading Quality Checklist
- The results of the performance analysis that was performed for the written examination
- Form ES-201-3, Examination Security Agreement, with Pre- and Post- examination signatures.

Per our discussion with Greg Roach, we request the NRC withhold public disclosure of the exam in ADAMS for 2 years so we can have the examination available for internal use.

Byron Letter 2021-0072
October 28, 2021

Additionally, we request the following Exelon Confidential / Proprietary procedures included as provided resources for question number 100; EP-AA-111-F-03, Byron PAR Flowchart; be withheld from public disclosure because it contains proprietary information.

Should you have any question concerning this letter, please contact Ms. Zoe Cox, Regulatory Assurance Manager, at (815) 406-2800. For questions concerning examination materials, please contact Benjamin Reyes, Senior Operations Training Instructor, at (815) 406-3139.

Respectfully,

John J. Kowalski
Site Vice President
Byron Station
