---

Jonathan,

I forwarded your list of questions to our CFO, Paula Tomlins, who sent them to our attorney. See attachments for responses to Questions 1, 2 and 3. The FYE 2021 Org Chart file shows the former Board of Directors; the Full Leadership Organization file shows the current Board. Responses to Questions 4 and 5 are shown in the email response from our attorney below. If you have any questions or require further information, please let me know. Thanks.

---

Hi Paula,

Please see below and attached for the responses to NRC's questions. On the last question (#5), if H.W. Lochner currently holds any other radiation licenses apart from the NRC license, you may want to note them.

1. Section 5.1, Description of Transaction – Please provide a copy of the document(s) authorizing or describing the sale of the licensee, H.W. Lochner, Inc., to Elysium Infrastructure Group, LLC. Please redact any information deemed sensitive prior to transmitting the document(s).  
[Please refer to the attached agreement, which has been redacted to remove sensitive information.](#)
4. Section 5.6, Transferee's Commitment to Abide by the Transferor's Commitments - Please confirm that Mr. Christopher Hylas is authorized to make legally binding commitments on behalf of the acquiring company, including the commitment to abide by all constraints, conditions, requirements, representations, and commitments the transferor made previously to NRC.  
[We confirm that Mr. Christopher Hylas is authorized to make legally binding commitments on behalf of the pre- and post-transfer licensee, H.W. Lochner, Inc. and \(with respect to the NRC license only\) Elysium Infrastructure Group, LLC, including abiding by all constraints, conditions, requirements and representations made by H.W. Lochner Inc. to NRC and authorization to request license amendments, revisions etc.](#)
5. Please provide additional information concerning the operations of the transferee. Please confirm whether Elysium Infrastructure Group, LLC or any of its subsidiaries currently possess any U.S. Nuclear Regulatory Commission or Agreement State issued licenses.  
[We confirm that Elysium Infrastructure Group, LLC and its subsidiaries do not possess any U.S. Nuclear Regulatory Commission or Agreement State issued licenses. The only radiation licenses held by Elysium Infrastructure Group, LLC and its subsidiaries are those licenses held by H.W. Lochner, Inc.](#)

Best,
