Hi David,

Thanks for your time during the NRC inspection last Thursday November 18, 2021. As discussed at the conclusion of the onsite inspection, no violations were identified. Additionally, the one violation from NRC's 2016 inspection was reviewed and is now considered closed. The attached Inspection Report documents the results of the inspection. Please retain a copy for your records.

No response to the Inspection Report is required; however, I do request an email acknowledging receipt.

Have a safe and happy Thanksgiving.
Janine
