Subject: Confirmation of Receipt of Radioactive Source

Please be advised that 3M received a 3M Model 703, serial number 410041, on December 3, 2021. Receipt and possession of this device is authorized under Minnesota Department of Health Radioactive Material License No. 1066, which expires on October 31, 2024. The radioactive source in this device has been transferred to this license.

If you have any questions or require additional information, please contact me at 3M-RSO@MMM.com.

Sincerely,

A handwritten signature in black ink that reads "Michael Jones".

Subject: Acknowledgement of Transfer for Disposal

Ms. Handshoe-Lovely,

Thank you for the documentation confirming the transfer of the 3M Model 703 Static Meter. This message acknowledges receipt of your email and attached letter certifying that you have transferred the device to 3M for disposal. The NRC has reviewed this information and has no further questions at this time.

In accordance with Title 10 of the Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this message will be available electronically for public inspection in the NRC's Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC's website at <http://www.nrc.gov/reading-rm/adams.html>.

Please feel free to contact me if you have any questions regarding this correspondence.

Thank you,

Jason Draper
