Mr. Nelson,

In the letter dated December 22, 2021, you stated that you would like to cancel the NRC license for the location at 7400 Miller Drive, Warren MI 48092 and would like a new license for the location at 6525 Center Drive, Sterling Heights, MI 48312. Please note that, the NRC requires an application fee for a new license application as specified in the NRC regulation in 10 CFR 170. Currently, the fee is \$1,300.00 for your license. Based on the discussion with you, I believed you would like to remove the old address 7400 Miller Drive,

Warren MI 48092 from the license and add the new address 6525 Center Drive, Sterling Heights, MI 48312. With that, you will have an amendment to the same license (License No. SUB-1603 with Docket No. 040-38362) with the new address and there will be no new license application fee. If my understanding is incorrect, please let me know. If not, please confirm that you would like to remove the old address 7400 Miller Drive, Warren MI 48092 from the license and add the new address 6525 Center Drive, Sterling Heights, MI 48312 to the license.

In addition, please confirm in writing with signature that you have never possessed licensed material at 7400 Miller Drive, Warren MI 48092.

If you have any questions, please let me know.

Thank you,

Frank Tran
