Good Afternoon;

Thank you for sending the service agreement. Appendix V of NUREG-1556, Volume 9, Rev. 3 [<https://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v9/index.html>] states:

Regulations in [10 CFR 35.80\(a\)\(1\)](#) require, in part, that a licensee providing mobile medical service obtain a letter signed by the management of each client for which services are rendered that permits the use of byproduct material at the client's address and clearly delineates the authority and responsibility of the licensee and the client. This agreement must be applicable for the entire period of time over which the service is to be provided. The letter will be retained for 3 years after the last provision of service, as required by [10 CFR 35.80\(c\)](#) and [10 CFR 35.2080](#), "Records of mobile medical services." **Additionally, as required by [10 CFR 35.80\(a\)\(4\)](#), the licensee must survey all areas of use, to ensure compliance with the requirements in [10 CFR Part 20](#) (e.g., ensure that all byproduct material, including radiopharmaceuticals, sealed sources, and all associated wastes, have been removed) before leaving a client's address.**

Please revise the service agreement to comply with [10 CFR 35.80\(a\)\(4\)](#), to ensure compliance with [10 CFR 20.2080](#), "Records of mobile medical services", highlighted above.
