Department of the Environment

Larry Hogan, Governor
Boyd K. Rutherford, Lt. Governor

Ben Grumbles, Secretary
Horacio Tablada, Deputy Secretary

Theresa Clark, Deputy Director
Division of Material Safety, State, Tribal, and Rulemaking Programs (MSTR) Office of Nuclear Material Safety and Safeguards (NMSS)
U.S. Nuclear Regulatory Commission T8-E24
Washington, D.C. 20555-0001

Dear Ms. Clark:

Enclosed is a copy of the final adopted Supplement 31 to COMAR 26.12.01.01 titled “Regulations for the Control of Ionizing Radiation (1994).” The Subtitle COMAR 26.12 comprises the Radiation Management regulations of the Maryland Department of the Environment. These regulations were adopted as proposed (no changes were made) and became effective December 27, 2021.

These regulations are identified in the attached table and correspond to the following equivalent amendment(s) to the NRC’s regulations. Also, attached is a document defining pages in Maryland regulations where proposed changes will be made.

RATS ID	Title	State Section (s)
2018-1	Medical Use of Byproduct Material - Medical Event Definitions, Training and Experience, and Clarifying Amendments, 10 CFR Parts 30, 32 and 35	Sections C, D, & G
2018-2	Miscellaneous Corrections - Organizational Changes, 10 CFR Parts 37, 40, 70, and 71	Sections T & V

The RHP believes that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Federal and State Materials and Environmental Management Programs (FSME) Procedure SA-200. If you have any questions, please feel free to contact Ms. Kiera Saleem at 410-537-3457 or 800-633-6101, ext. 3457.

Eva Nair, Program Manager
Radiological Health Program
Air and Radiation Administration
