License No.: 47-31304-02

Docket No: 030-37863

Control No: 629282

Licensee Name: Beckley Oncology Associates, Inc.

This refers to your request to amend your license dated November 8, 2021. In order to continue our review of your request, the following additional information is needed:

NUREG 1556 Vol. 9 Rev. 3 Consolidated Guidance About Materials Licenses, Program Specific Guidance About Medical Use Licenses, provides licensees information regarding information needed to license medical use modalities. Based on Appendix C, the following information is needed to complete your amendment request:

1. Relative to your facility diagram, please indicate where Lu-177 doses will be received and stored.
2. Provide the following commitment: "We have developed and will implement and maintain written procedures for a program for training required under 10 CR 19.12 for each group of workers, including (i) topics covered, (ii) qualifications of the instructors, (iii) method of training, (iv) method for assessing the success of the training, and (v) initial training, and (vi) annual refresher training."
3. Provide the following commitment: "We will develop, implement, and maintain written procedures for licensed material accountability and control to ensure that: License possession limits are not exceeded; licensed material in storage is secured from unauthorized access or removal; licensed material not in storage is maintained under constant surveillance and control; and records of receipt (either from the licensee's own production operations or from another licensee), transfer, and disposal of licensed material, are maintained."

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email. If we do not receive a reply from you within one week from the date of this e-mail, we will assume that you do not wish to pursue your amendment..

Please respond by e-mail to acknowledge that you have received the e-mail request for additional information.

Regards,

Robin L. Elliott
