

**Delegation of Radiation Safety Officer**

To: Phillip Kohanski, MD

From: Matthew Kaufman, Regional VP of Operations, Backus Hospital

Subject: Radiation Safety Officer Delegation of Authority for the Backus Hospital

You, Phillip Kohanski, MD, have been appointed as the Radiation Safety Officer and are responsible for:

- Ensuring the safe and secure use of radiation on the Backus campus
- Managing the Radiation Protection Program
- Identifying radiation protection problems, initiating, recommending, or providing corrective actions
- Verifying implementation of corrective actions
- Stopping unsafe activities, and ensuring compliance with regulations.

It is estimated that you will spend 10 hours per week conducting radiation protection activities.

You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations, when justified, to maintain radiation safety.

You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission at any time.

You are authorized to request amendments to Backus license No: 06-11734-02. The Backus Hospital Management has reviewed and approved the license amendment requests dated September 24, 2021, and November 11, 2021.

Matthew Kaufman  
Regional VP of Operations
