Ms. Theresa Clark, Deputy Director
Division of Materials Safety, Security, State, and Tribal Programs
Office of Nuclear Material Safety and Safeguards
U.S. Nuclear Regulatory Commission
T8-E18
Washington, D.C. 20555-0001

Dear Deputy Director Clark:

Enclosed is a copy of the final revisions to the State of Illinois’ Radiation Protection rules, 32 Illinois Administrative Code Part 330 and Part 335, amendments to which were effective December 22, 2021. The final regulations are identified by line-in/line-out text and correspond to the following equivalent amendments to NRC’s regulations.

<u>Rats ID</u>	<u>Title</u>	<u>State Section</u>
• 2020-2	Social Security Number Fraud Prevention	32 Ill. Adm. Code 335
• 2018-1	Medical use of Byproduct Material – Medical Event Definitions, Training and Experience, and Clarifying Amendments	32 Ill. Adm. Code 335 32 Ill. Adm. Code 330

We believe that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Nuclear Material Safety and Safeguards (NMSS) Procedure SA-200.

If you have any questions, please feel free to contact me at (217) 785-9928 or Gary.Forsee@Illinois.gov.

Sincerely,

Gary Forsee, Chief
Radioactive Materials Branch
