In letter 160-USNRC-005, dated December 21, 2020, SMR, LLC, submitted for acceptance and review a Topical Report on Elimination of the Large Break Loss of Coolant Accident (LOCA) and Establishment of LOCA Acceptance Criteria.

SMR, LLC, hereby withdraws the Topical Report. A regulatory engagement plan will be discussed and developed with the Staff to make them increasingly aware of our approach to design through the use of White Papers as we prepare our documentation for a Construction Permit Application.
