Re: Amendment for License No. 21-21265-01

We currently have an amendment request in progress with a letter dated 11-28-20. However since that date, we have had a change in radiology groups. Therefore, the previous request to add numerous physicians is no longer needed.

The previous submission received by your office included the RSO delegation of authority for Dr. Blount. This delegation is still valid.

Please amend our license as follows:

1. Please remove the following physicians from our license:

Sambasiva Kottamasu, M.D.	Chirdeep Bhutani, M.D.
Peter Peer, M.D.	Scott E. Cheney, M.D.
Ram K. Gadam, M.D.	Mark R. Ludka, M.D.
Kristin Nelsen, M.D.	Rita Ratani, M.D.
Sanjay J. Talati, M.D.	Chandler Veenhuis, D.O.
Harvey Yee, M.D.	

2. Please add the following physicians to our license as Authorized Users

<u>Name</u>	<u>NRC License No.</u>	<u>Groups</u>
Macksood A. Aftab, D.O.	21-03646-03	35.100, 35.200

3. Change our RSO from Dr. Ludka to Dr. Blount. A delegation of authority was enclosed with our request letter dated 11-28-20. This delegation is still valid and a new delegation is not enclosed.

Thank you for your time and assistance. If you have any questions, please contact our consultant, Tracy King, at 734-662-3197 or tking@mpcphysics.com.
