### SUPPLEMENTARY INFORMATION:

The Nuclear Regulatory Commission (NRC) is publishing a Federal Register notice originally published on Thursday, April 16, 1992 (57 FR 13388). The NRC is republishing this document because of an incorrect reference made to "Maine Revised Statutes Annotated Section 284." The exemptions from the Commission's licensing authority have been published in the Federal Register and codified as Part 150 of the Commission's regulations in Title 10 of the Code of Federal Regulations. The complete version of the April 16, 1992, Federal Register notice is presented below with the corrected citation.
