Washington, DC 20555-0001

Subject: Transfers of Industrial Devices Report – Q4 2021

To Whom It May Concern:

As required by SRPAR 0400-20-10-13, 0400-20-10-25 and Condition 16 of our Tennessee Radioactive Material License R-01082-B23, Berthold Technologies USA is filing our quarterly report for the 4th quarter of 2021 for radioactive material general licensees falling under the direction of the Nuclear Regulatory Commission. In addition, a copy of this report has also been submitted to the Dept. of Environment & Conservation (Division of Radiological Health) in Nashville, TN.

Enclosed with this letter is the final report for Generally Licensed devices that were distributed during the 4th quarter of 2021 within Region IV, no devices were distributed to Regions I, II, or III during this reporting period. Additionally, during the 4th quarter, no X-Ray machine transfers occurred. Please feel free to contact me should you have any questions or require any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "CD" or "Chester Douglas".
