- **Part D - Standards for Protection Against Radiation**
- **Part J - Notices, Instructions, and Reports to Workers; Inspections**
- **Part O - Decommissioning**

The CRCPD Board of Directors approved revisions to all four Parts on November 2, 2021, designed to meet the compatibility and health and safety requirements of the equivalent NRC regulations.

CRCPD requests that a written response relative to federal concurrence by your agency be submitted within 60 days of receipt of this correspondence. Thank you for your attention to this important matter.
