

**2021
RATIONALE
PART D
GENERAL PROVISIONS**

Background and History.

Part D of the Conference of Radiation Control Program Directors (CRCPD), Suggested State Regulations (SSR) was last revised in 2003. Since then, there have been numerous amendments made to 10 CFR 20. This revision to Part D incorporates the changes to 10 CFR 20 and is intended to make Part D compatible with 10 CFR 20.

The referenced RATS documents can be found at https://scp.nrc.gov/rss_regamendments.html
