

**2021
RATIONALE
PART O
DECOMMISSIONING**

Background and History.

Part O of the Conference of Radiation Control Program Directors (CRCPD), Suggested State Regulations (SSR) was last revised in 2000. Since then, there have been numerous amendments made to 10 CFR 20. This revision to Part O incorporates the changes to 10 CFR 20 and is intended to make Part O compatible with 10 CFR 20.
