Subject: [External_Sender] DoD/NRC MOU Yearly Inventory Submission
Date: Monday, November 29, 2021 12:37:16 PM
Attachments:

Mr. Grossman,

I have assumed many of the responsibilities that Deb Morefield previously managed at OSD. I have attached the annual submission of the DoD radiological cleanup sites currently being characterized or remediated.

Please give me a call (505-506-2189) if you would like to discuss any of information supplied in this inventory or if you wish to connect a voice with the new OSD contact.

Thanks,
Brian
