Enclosed are the proprietary and non-proprietary versions of "Westinghouse's Remaining Chapter 5 Responses to the NRC's Request for Additional Information (RAIs)", in response to References 1 and 2. The enclosures address the RAIs not already addressed in Reference 3.

For several of the RAIs, Westinghouse has provided supporting documentation for NRC review in the dedicated electronic Reading Room for SENTRY™ dry storage system. A dedicated folder has been created in the electronic Reading Room for each applicable RAI; supporting documentation applicable to each observation and request for supplemental information is available in their respective dedicated folders.

This submittal contains proprietary information of Westinghouse Electric Company LLC ("Westinghouse"). In conformance with the requirements of 10 CFR Section 2.390, as amended, of the Nuclear Regulatory Commission's ("Commission's") regulations, we are enclosing with this submittal an Affidavit. The Affidavit sets forth the basis on which the information identified as proprietary may be withheld from public disclosure by the Commission.

Westinghouse Non-Proprietary Class 3
