Company  
100 West Hunter Avenue  
Maywood, New Jersey

Attention: Mr. Donald H. Francis  
Vice President and  
General Manager

Gentlemen:

This refers to your letter of January 25, 1964, in reply to our letter of January 6, 1964.

With respect to Item 1(b) of your letter, the areas in the vicinity of your main slurry pile should be maintained as restricted areas as defined in 10 CFR 20.3(a)(14), until such time as the levels of radiation have been reduced within the limits specified in 10 CFR 20.105(b).

Your request for license amendment for authority to perform clean-up and decontamination activities in your plant will be reviewed in connection with your license renewal application dated January 27, 1964. You will be contacted in separate correspondence concerning the application.

Very truly yours,
