

MRP Materials Reliability Program _____ MRP 2022-001

January 27, 2022

Ms. Cherish K. Johnson, CFO
U.S. Nuclear Regulatory Commission
Office of Chief Financial Officer
Washington, DC 20555-001
cherish.johnson@nrc.gov

Dear Ms. C. Johnson, NRC CFO,

EPRI hereby withdraws the fee waiver request made in EPRI letter MRP 2021-018 dated 10/21/2021 [Ref. ML21301A196], and the associated topical report MRP-227-Revision 2 as transmitted under a signed affidavit for NRC Safety Evaluation in EPRI letter MRP 2021-019 dated 10/21/2021 [Ref. ML21301A195].

EPRI will resubmit this topical report at a later date.

Sincerely,

Robert O. McGill
Robert O. McGill, EPRI
