Re: Immediate Notification of named RSO no longer performing duties, St. Vincent's Medical Center Radioactive Materials License No. 06-00843-03.

Dear License Reviewer,

Please expedite this correspondence as notification that Arely Clavel, named RSO on our materials license, is no longer performing duties as of January 14th, 2022. Greg Hisel, our ARSO, is now our temporary RSO until we name a permanent RSO in the coming weeks.

Please do not hesitate to contact our temporary Radiation Safety Officer, Greg Hisel, if you need additional information or have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "John Rossi".
