

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

March 8, 2022

The Honorable Eddie Bernice Johnson
Chairwoman, House Committee on Science,
Space and Technology
United States House of Representatives
Washington, DC 20515

Dear Chairwoman Johnson:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am providing the agency's Federal Information Security Management Act (FISMA) report for fiscal year (FY) 2021, including the cover letter that accompanied the report when the NRC sent it to the Office of Management and Budget in October 2021.

The NRC remains fully committed to maintaining the security of its automated information systems. As such, the agency has committed to resolving the FY 2020 13 recommendations made by the Inspector General and is developing a plan to address the Inspector General's section of the enclosed FY 2021 FISMA report.

If you have any questions about the NRC's FY 2021 FISMA report or the transmittal letter to the OMB, please contact me at (301) 415-1776.

Sincerely,

A handwritten signature in blue ink, appearing to read "E. Dacus", is positioned below the word "Sincerely,".
