Louisiana Energy Services, LLC
NRC Docket No. 70-3103

Subject: Non-Possessing Facility Clearance for Jack B. Henderson Construction Company, Inc.

Enclosed is a Non-Possessing Facility Clearance application that Louisiana Energy Services is submitting on behalf of a contractor that provides support services for the Louisiana Energy Services, LLC. Services provided by the following company require access to classified areas/materials and individuals performing those services will require clearances.

Jack B. Henderson Construction Company, Inc.
501 Eubank SE
Albuquerque, NM 87123
Facility Code: 5827

We are hereby requesting a non-possessing facility security clearance at the Confidential-Restricted Data Level.

If you have any questions, please contact Jarrod Garcia, FSO at 575-394-5803

Respectfully,

A handwritten signature in black ink, appearing to read 'Chris Schwarz', written over a white background.

Christopher L. Schwarz
Security and Safeguards Manager
