RE: West Virginia United Health System, Inc. Restructuring

Mr. Gallagher:

As discussed by phone on February 16, 2022, West Virginia United Health System, Inc. d/b/a West Virginia University Health System (“WVUHS” or the “System”) is in the process of an internal governance restructuring (hereafter the “Restructuring”). As a result of the Restructuring, WVUHS will become the direct parent for the hospitals listed below, which have materials licenses issued by the Nuclear Regulatory Commission (“NRC”) (hereafter “NRC Materials Licenses”). WVUHS is submitting this notice letter to confirm whether any further action will be needed by the NRC as a result of the Restructuring.

The following hospital organizations with NRC Materials Licenses will be involved in the Restructuring:

Hospital Entity	NRC Materials License Number
Potomac Valley Hospital, Inc.	47-21163-01
Reynolds Memorial Hospital, Inc.	47-08019-01
The West Health Care Cooperative, Inc. d/b/a Summersville Regional Medical Center	47-31126-01
Community Health Association d/b/a Jackson General Hospital	47-17058-01
Wetzel County Hospital, Inc.	47-18320-01
St. Joseph’s Hospital of Buckhannon, Inc.	47-35590-01

Exhibit A includes diagrams identifying the current and post-Restructuring corporate ownership for each of the above-listed hospital organizations. Because WVUHS will remain the ultimate parent entity for each of the hospital organizations listed above after the Restructuring, we do not believe the Restructuring constitutes a “transfer of control” of the NRC Materials Licenses.

If you have any questions or concerns, please feel free to contact me by email or phone.

Thank you,

/s/ Lindsay D. Petrosky
