SUBJECT: WITHDRAWAL OF LICENSE AMENDMENT LICENSE NO. 40-16775-01

Dear Bryan Beckedahl:

This concerns the subject application for an amendment to your material license in accordance with your letter received September 1, 2021. The proposed radiation safety officer (RSO) needed additional documentation required in NRC Form 313A (RSO). Specifically, the proposed RSO needed to choose a pathway under PART I TRAINING AND EXPERIENCE on the NRC 313A (RSO) form, complete the applicable sections, and submit the required documentation. Per telephonic discussion with you on November 30, 2021, you informed me that you would gather the requested additional information and requested to withdraw your amendment request, to accomplish gathering the required documentation. Therefore, we have administratively closed your license amendment request. Therefore, we have administratively closed your license amendment request. Note that if you submit a new request at a later date, you may refer to Control No. 628547 for the documentation you have already submitted. You can contact this office at [Latischa.Hanson@nrc.gov](mailto:Latischa.Hanson@nrc.gov) if you have any questions about this letter.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Thank you for your cooperation.

Sincerely,
