I request the following document be released and an electronic copy provided for personal use. I will pay up to \$50 for research costs.

T. Tagami, "Interim Report on Safety Assessment and Facilities Establishment Project in Japan for Period Ending June 1965 (No. 1)," prepared for the National Reactor Testing Station, February 28, 1966 (unpublished work).

This paper is referenced in NUREG-75/087 Standard Review plan, Chapter 6.2.1, Containment Functional Design.
