

American Board of Health Physics

March 17, 2022

ATTENTION TO: U.S. Nuclear Regulatory Commission
SUBJECT: RESPONSE TO REQUEST FROM U.S. NUCLEAR REGULATORY
COMMISSION TO CONTINUE RECOGNITION AS SPECIALTY BOARD

Dear Kevin Williams,

This letter serves as an official response to the request received on March 15, 2022 from the U.S. Nuclear Regulatory Commission to confirm criteria to be recognized as a specialty board.

The responses to the specific questions included in that request are as follows:

1) Confirm the specialty board's current name.

American Board of Health Physics

2) Confirm the name of the specialty certification(s) or certificates.

Certified Health Physicist or Diplomate of the American Board of Health Physics

3) Confirm that the specialty board still satisfies the board recognition criteria in 10 CFR 35.50, "Training for Radiation Safety Officer and Associate Radiation Safety Officer."

The ABHP still satisfies the board recognition criteria in 10CFR35.50

4) Confirm that there have been no changes in the board's certification procedures that could affect the recognition status.

There have been no changes in the board's certification procedures that could affect the recognition status.

Please send a request to Michael Canino, Executive Director (director@aahp-abhp.org) if there is any further information required at this time. Thank you.

Sincerely,

Michael Canino
Executive Director, the American Board of Health Physics (ABHP)
