Renewed Op. License No. DPR-49

2021 Annual Exposure Report - Form 5s

In accordance with the requirements of 10 CFR 20.2206, NextEra Energy Duane Arnold, LLC has submitted an electronic copy of the Annual Reports of Radiation Exposure for all persons monitored for occupational exposure at the Duane Arnold Energy Center during 2021. The electronic file NRC20220308.dat was submitted on March 8, 2022 via the REIRS web page. The total dose and dose distribution in the report were as expected.

Questions regarding this matter should be directed to Mike Casey, Chemistry Manager, at (319) 851-7606.

A handwritten signature in black ink that reads "Paul Hansen". The signature is written in a cursive style with a large initial "P".

Paul Hansen
Decommissioning Director
