Good morning,

Thank you for providing the updated request to amend license no. 24-20274-01. We opened a new action, Control No. 630452.

Because the request dated 12/21/21 to amend license no. 24-02704-01 was sent in error, I will close the pending action, control no. 629769.

Please confirm your understanding of the reason for closure of CN 629769.

Also, please confirm that you are the new point of contact for both licenses (24-20274-01 and 24-02704-01) so I can update our records.

Thank you

Magdalena

Hello,

Thank you for contacting us. I reviewed the licensee's request dated 12/21/21 last week and reached out to Mr. Anzalone; however, I got the email returned.

Please review my question below.

In summary, I believe the licensee wishes to add a stress test room to license no. 24-20274-01 (instead of license no. 24-02704-01 as indicated in the 12/21/21 letter).

Please clarify.

Please provide a new amendment request/letter referencing the correct NRC license number.

Resubmit the drawings/facility diagram and also include the following:

- State the room number
- State the dimensions of the stress test room
- Clarify whether you are requesting to add only one stress test room (the 12/21/21 drawing seems to indicate that there are two office rooms divided by a wall).
- Please provide a legible facility diagram (email is fine vs fax).

Thank you

Subject: Request to add a stress test room to NRC license no. 24-20274-01

Good morning Mr. Anzalone,

I am reviewing a request dated 12/21/21 and signed by James R. Bergh, M.D. to add a stress test room to NRC license no. 24-02704-01 (Prime Healthcare Services-Kansas City, LLC d/b/a St. Joseph Medical Center). However, in the same letter, Dr. Bergh stated to add the stress test room to Prime Healthcare Services-Blue Springs, LLC d/b/a St. Mary's Medical Center. I just want to make sure that I am working on the correct license. Dr. Berg is the RSO on NRC license no. 24-20274-01.

Could you please help? I have you listed as the point of contact for both licenses. Also, please provide Dr. Bergh's email address.

Thank you
