Subject: [External_Sender] Docket ID NRC-2021-0193, Kairos Power, Oak Ridge, TN

I am a life-long East Tennessee resident in Roane County, TN. I have owned a small business in Oak Ridge and am currently the Vice President of a firm in Oak Ridge. I have raised my family in the area with my children attending Oak Ridge Schools. As such, I am writing to express my support of the NRC permitting process for Kairos Power's construction and licensing permit application for the Hermes demonstration reactor they plan to build in Oak Ridge, Tennessee. It's my opinion the local community also welcomes the opportunity to continue our long tradition of supporting energy innovation as I do. This property has a history of supporting the nation's energy and safeguards, and I'm very pleased Kairos Power is investing in our local community and the nation's future.

Sincerely,
Brad
