Division of Rulemaking, Environmental and Financial Support
Washington, DC 20555-0001

Dear Mr. Tappert:

Thank you for the letter regarding the notice of the public comment period on the proposed rule related to decommissioning of production and utilization facilities and four Nuclear Regulatory Committee (NRC) draft regulatory guides (Docket ID NRC-2015-0070). The Chickasaw Nation recommends including “tribal governments” in sections that list the roles of “State and local governments.”

Your efforts to preserve and protect significant historic properties are appreciated. If you have any questions, please contact Ms. Karen Brunso, tribal historic preservation officer, at (580) 272-1106, or by email at karen.brunso@chickasaw.net.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lisa John', with a long horizontal flourish extending to the right.

Lisa John, Secretary
