Kevin Williams, Director
Division of Materials Safety, Security, State and Tribal Programs
Office of Nuclear Material Safety and Safeguards

RE: AMERICAN BOARD OF SCIENCE IN NUCLEAR MEDICINE, REVIEW OF
SPECIALTY BOARD CONTINUED RECOGNITION BY THE U.S. NUCLEAR
REGULATORY COMMISSION

In response to the request for information received on 3/16/2022, we respectfully submit the responses below:

- 1) Confirm the specialty board's current name.

American Board of Science in Nuclear Medicine

- 2) Confirm the name of the specialty certification(s) or certificates.

Radiation Protection
Nuclear Medicine Physics and Instrumentation
Molecular Imaging
Radiopharmaceutical Science

- 3) Confirm that the specialty board still satisfies the board recognition criteria in 10 CFR 35.50, "Training for Radiation Safety Officer and Associate Radiation Safety Officer."

The specialty board continues to meet the criteria set forth in 10 CFR 35.50.

- 4) Confirm that there have been no changes in the board's certification procedures that could affect the recognition status.

No changes have been made that would affect our recognition status with the NRC. All discussions regarding our examination eligibility requirements are based on meeting the requirements set forth by the NRC in 10 CFR 35.50.

- 5) Confirm that the enclosed certificates are current.

The attached certificates are not current. Please see attached sample certificates.

AMERICAN BOARD OF SCIENCE IN NUCLEAR MEDICINE

Please let us know if any further information is required.

Sincerely,

hnn

Amir H. Khandani, MD, PhD
President
American Board of Science in Nuclear Medicine
6019 Old Valley School Rd.
Kernersville, NC 27284

Enclosures:

ABSNM Nuclear Medicine Physics and Instrumentation Certificate
ABSNM Radiation Protection Certificate
