Good morning,

Based on feedback received from the reviewers, the last supplemental responses that you submitted are acceptable. Please let me know if you are planning to submit a consolidated application and a letter as a supplement to the RAI responses or not and we can plan from there.

Thanks in advance,
Norma

Norma,

I hope your day is going well. Please see the attached responses to the follow-up questions. We included a "planned path forward" section in addition to the responses to the questions. Based on the questions and responses, we feel that revisions to the submittal documents will be required. We will start those revisions pending your concurrence.

Please let me know if there are any questions or if you need anything else.

Thanks,
Scott
