U.S. Inspection & NDT, LLC d/b/a Atlas NDT would like to make the following amendment to our Radioactive Materials License 37-35583-01.

U.S. Inspection would like to amend License condition 16.B to allow us to use Film Badge, TLD, OSL, or direct-ion storage technology. Along with this letter, you will find an amended Operating and Emergency procedures manual. The wording in section 3 has been changed to allow for this amendment, as well as the definition for Individual Monitoring Device and Personnel monitoring device.

If you need any further information regarding this amendment, please contact myself or Kristina Lehman klehman@usindt.com Cell: 814-203-3346. Thank you for your assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "David A. Chamberlain", with a long horizontal flourish extending to the right.
