Re: Federal Concurrence Request - Revision

Dear Ms. Beardsley:

Please find attached the latest revisions to the *Suggested State Regulation for Control of Radiation* from the Conference of Radiation Control Program Directors, Inc. (CRCPD).

- **Part A - General Provisions**
- **Part D - Standards for Protection Against Radiation**
- **Part J - Notices, Instructions, and Reports to Workers; Inspections**

CRCPD provides the following response for each of the comments related to compatibility on SSR Parts A, D, and J, in a letter dated February 28, 2022. Since there were no changes required in Part O, we have finalized this part and placed it on our website.

Thank you for your attention to this important matter.

Sincerely,

Ruth E. McBurney, CHP
Executive Director
