Dear Director of FMSE:

I am writing to inform you that the Western Area Power Administration, Upper Great Plains Region, North Dakota, will be properly disposing of a Safety Exit Sign that contains tritium.

We will be utilizing SRB Technologies (NC Radioactive Materials License # 034-0534-2) to dispose of one exit sign, serial number 241839. The sign was manufactured by SRB Technologies and was installed in WAPAs Bismarck Warehouse, located at 700 N Bismarck Expressway, Bismarck, ND 58501.

The sign was shipped for disposal to:

SRB Technologies
2580 Landmark Drive
Winston-Salem, NC 27103

If you have any further questions, please feel free to reach out to me via email or phone.
