SUBJECT: Request for License Amendment (Materials License #24-13365-01)

Dear Ms. Forster:

I am writing to request that Materials License # 24-13365-01 be amended as follows:

Section 11A - Radiation Safety Committee Chairperson

Craig Schouten (Vice President – Operations) has been named Radiation Safety Committee Chairperson replacing Jason Heimsoth. Radiation Safety Committee members have formally approved Mr. Schouten's appointment as committee chairperson.

Please contact me directly with any questions pertaining to this amendment request. I can be reached at (573) 777-6242 or by email at markgilliland@eurofinsus.com.

Sincerely,

Mark Gilliland
Sr. Manager – Environmental, Health & Safety
Radiation Safety Officer – Eurofins Biopharma Product Testing
