---

Good Morning Steve,

I just wanted to inform you that I have resigned from my position at Prime NDT effective today April 1st. Due to my departure, this email will no longer be monitored. I have added alternative contacts below to help keep communication between Prime and the NRC flowing.

Also, Ben Gallagher will take over responsibility for handling all NSTS for sources for Prime NDT Services. I have added his contact as well.

It was a pleasure working with you.

Steven Elliott
