Response to Request for Additional Information Regarding Positive Fitness-For-Duty Test

By letter dated March 17, 2022, Nuclear Regulatory Commission (NRC) requested Florida Power & Light Company (FPL) to provide additional information regarding a confirmed positive random fitness-for-duty test reported to the Commission in Event Report 55768 on March 5, 2022. The purpose of this letter is to provide FPL's response to your request. The information requested is provided in the enclosure to this letter.

The enclosure to this letter contains personal information, the disclosure of which would constitute unwarranted invasion of personal privacy. Pursuant to 10 CFR 2.390(a)(6), we request the attachments to this letter be withheld from public disclosure.

If you have any questions, please contact Mike Davis, Licensing Manager, at 319-851-7032.

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Lesniak for', is written over a light blue horizontal line.
